

Structure of the Core

The P50 Grant benefits from strong working relationships among the following institutional partners

- NCTRI Network and Epigenetics and Male Research Focus Group
- Cornell Center for Vertebrate Genomics
- Department of Pharmacology Weill Cornell Medicine
- Cornell College of Veterinary Medicine
- Department of Urology University of Pittsburgh

Three cores support all projects.

Core A: Administrative Core	Core B: Genomics Innovation Core	Core C: Outreach Core
Paula Cohen	Jen Grenier	David Lin
James Bender		

Four committees working together guide the work of the three cores.

Steering Committee	Internal Advisory Committee	External Advisory Committee	Trainee Executive Committee
Paula Cohen (PI)	Mark Roberson	To be named	To be named
Charles Danko	Olivier Elemento		
Jen Grenier	Paul Soloway		
Andrew Grimson	Heidi Stuhlmann		
Kathleen Hwang	Bob Weiss		
Samie Jaffrey	Mariana Wolfner		
David Lin			
John Schimenti			

All missions are supported by one or more of the three cores

Mission	Name	Core A	Core B	Core C
1	Trainee Engagement	X		X
2	PhD//MD Interactions	X		
3	Inter-lab Interactions	X	X	
4	Advocate for Research in Reproductive Health	X		X

Mission	Name	Core A	Core B	Core C
5	Tri-repro Symposium	X		
Outreach 1	Pilot Projects	X	X	
Outreach 2	NCTRI Interactions	X	X	
Outreach 3	New Members	X	X	
Outreach 4	Trainee Seed Fund Programs	X	X	X
Outreach 4	Public Education School Outreach	X		X

Research Mission		
Core Name	PIs	Area
Core A	Cohen and Danko	Mouse/Human
Core B	Grimson, Schimentti, and Hwang	Human/Mouse
Core C	Jaffrey	Mouse
